

## Continuing Education

---

All Georgia Licensed Dispensing Opticians are required to complete ten (10) hours of Continuing Education with each biennial license renewal period (Rule 420-9-01).

Before attending any Continuing Education program, please verify with the provider that the program is approved as follows:

- The Georgia Board now approves five (5) hours of internet or on-line courses. (See Board Rule 420-9-.01)
- The Georgia Board does not allow home study or journal (magazine) study for continuing education credit.
- ABO & NCLE programs are not automatically approved. Each ABO & NCLE programs must apply for and receive individual program approval.
- All programs given by any recognized national, regional or state dispensing society or association is awarded automatic approval.

For additional information concerning Continuing Education (CE) requirements – see Board Rules 420-9-.02 & 420-9-.03.
